To whom it may concern,

Airport Solutions Ltd

Staffs from Airport Solutions Ltd have been contracted by OAMC to provide operational advice and training to OAMC staff at Muscat International and Salalah Airports.

This ongoing training program has to date included the following subjects:

- Basic Airside Operations
- Advanced Airside Operations
- Wildlife Hazard Management including practical aerodrome habitat assessment exercises
- Runway Incursion Workshop
- Emergency Planning and Crisis Management
- Accident and Incident Investigation
- Victim Support

In addition, future Terminal Services training is to be added.

At all times the staff have been totally dedicated to our goals and have provided a professional and exemplary service.

I have no hesitation in recommending the services of Airport Solutions to other Airports.
